

# STILL TIME TO BEAT THE FROST LINE

***Don't wait for snow and frost.  
Plan your EZ Valve™ jobs right now.***

**EZ Valve™  
installs fast and  
with no service  
interruption!**

Keep businesses open through the winter by installing EZ Valve now before the freeze. Maintain service for health and emergency facilities while also protecting businesses and residents from costly interruptions. Have EZ Valves on hand and schedule installations to avoid issues during the winter.
